Amarillo (The Fall 2010)

Gorillaz

The mountains are waiting
The full moon has comeI got lost on highways
But don't ask me where I've been
Or what I've doneOh Lord send me transmission
Forgive me for what I've becomeThe Sun is gonna save me
Put a little love into my lonely soulThe Sun is gonna save me
Put a little love into my lonely soulOh don't you know I need her loving you
It's no desire
