

Be My Lord (feat. Nadiroes)

Noelie Elykem

Well, I must honor you
For all you've done for me
I give you all the glory
Forever I'm yours

And Lord
I'm just a child
Your grace can sustain me
As you came and took my sins
Be my Lord, my Guide, and my Love

Well, I must honor you
For all you've done for me
And, I give you all the glory
Forever I am yours
And Lord, (devi koe menye)
I know nothing, but you know everything
As you are, the one that chooses me
Be my Lord, my Guide, and my Love
Be my Lord, my Guide, and my Love
Jesus, Be my Lord, my Guide and my Love
