Dead Serious

Tinted Windows

Darling when I say I would never leave you
Seems like you always say "I don't believe you"
I know it's hard to take it to heart
After all this time but it's time to start causeI know you think I take it all for granted
That's how it looks but not how I planned it
I can't make up for words unsaid
But that's not what's been going on in my headI'm serious
Yeah baby dead serious
Cause I never felt like this before
And I'm not joking anymore
No I'm serious
Yeah baby dead serious
And you've got to take me at my word
Forget what you heard
Cause this time all I really want to say
Is I need you every day
So hey hey hey
Hey hey hey
Hey hey hey now
Hey hey heyDarling when I say I don't want to lose you
Seems like you think I just want to amuse you
I know it's hard to change your mind
After all the times I was way out of line andMaybe you think I never really mean it
Maybe you feel it but you've never seen it
I can't make up for days gone by
But I've got to give it one more tryI'm serious
Yeah baby dead serious
Cause I never felt like this before
And I'm not joking anymore
No I'm serious
Yeah baby dead serious
And you've got to take me at my word
Forget what you heard
Cause this time all I really want to say
Is I need you every day
So hey hey hey
Hey hey hey
Hey hey hey now
Hey hey hey

Hey hey hey
Hey hey hey
Hey hey hey now
Hey hey hey
