

Vivica

Jessy Lanza

What your love won't do
Cause I don't really wanna make believe
And I got so much love baby
I'm gonna take my time to come over to the floorIf she wants it
Vivica, I'm gonna give you more
If she wants it
Vivica, I'm gonna be hereOne more time for you
My vivica
Yeah my vivicaNot trying to pressure you baby
But all i ever all i ever really wanna do
I put fire on it, tried to sacrifice my love
I want my fun, but she'll never leaveIf she wants it
Tell the girl I'm gonna give her more
If she wants it
Vivica, I'm gonna be here
I'm gonna be hereOne more time for you
My vivica
Yeah my vivicaIf she wants it
Tell the girl I'm gonna give her more
If she wants it
Vivica, I'm gonna be here
I'm gonna be here
If she wants it
Tell the girl I'm gonna give her more
If she wants it
Vivica, I'm gonna be here
I'm gonna be hereOne more time for you
My vivica
Yeah my vivica
