I Don't Know What The Weather Will Be

Laura Mvula

Tell me another story with a happy ending
Caught my feet so eery and my heart need mending

Is it true and all this could be it
I'm not ready for this to be ended

I don't know what the weather will be
Whether we'll see on tomorrow
But if today is all I have to believe, I give to you
Do what you want to

Tell me another story with a brand new meaning
Cut my heart so wheery and my head need healing

Is it true and all this could be it
I'm not ready for this to be ended

I don't know what the weather will be
Whether we'll see on tomorrow
But if today is all I have to believe, I give to you
Do what you want to
I don't know what the weather will be
Whether we'll see on tomorrow
But if today is all I have to believe, I give to you
Do what you want to
