## **She's Different**

## **Sugar Ray**

She was a crazy girl She's from a different world And I don't care

She cashed her check at two

Her rent was overdue

'Cause he's not thereSing for me, sing for me

Show me the way

Sing for me, sing for me

'Cause you're goin' awayAnd if you're goin' away

I just don't know what to say

You're time was wasted

All you had to do was stayHey Mr. Officer

Please let me talk to her

Take her home

Sometimes it's hard to see

Impossibilities unknownSing for me, sing for me

Show me the way

Sing for me, sing for me

'Cause you're goin' away'Cause if you're goin' away

I just don't know what to say

You're time was wasted

All you had to do was stayTeardrops they fall out of the skyShe's goin' away

There is nothing to say

She's from a different world

She's goin' away

She's not that kind of girl

She's leaving todaySing for me, sing for me

Show me the way

Sing for me, sing for me

'Cause you're goin' awayAnd if you're goin' away

I just don't know what to say

Please show me the way

Sing for me, sing for me

'Cause you're goin' awayAnd if you're goin' away

I just don't know what to say
