

# Terminal

Porya Hatami

Spinning and whirling  
Descending, unending  
    Light the halo  
    Watch the day glow  
    Spiral is viral  
    I'm seeing believing  
    Dig the feedback  
Take another crack at it  
    Harder and harder  
The hollow deceiver  
    Hit the noise box  
    Smash the ice box  
    Louder and louder  
Forgetting the setting  
    Kill the digital  
    Beat the terminal  
    Go, take it slow  
    Let it go  
    Get down hard  
Down, it's terminal  
Sensing, commencing  
The final dismantle  
    Your confusion  
    My illusion  
Terminal heading  
Advance to the hideout

    Put the light out  
Throw me down, throw me down  
    Harder and harder  
The hollow deceiver  
    Hit the noise box  
    Smash the ice box  
    Louder and louder  
Forgetting the setting  
    Kill the digital  
    Beat the terminal  
    Go, take it slow  
    Let it go

Get down hard  
Down, it's terminal  
Go, take it slow  
Get down hard  
It's terminal  
Go, take it slow  
Let it go  
Get down hard  
Down, it's terminal  
Slow, go take it  
Slow, go take it  
Slow, go take it slow
