

# Anna Sun

## Danny Ray

Screen falling off the door, door hanging off the hinges  
My feet are still sore, my back's on the fringes  
We tore up the walls, we slept on couches  
We lifted this house, we lifted this house  
Fire crackers in the east, my car parked south  
Your hands on my cheeks, your shoulder in my mouth  
I was up against the wall, on the west mezzanine  
We rattle this town, we rattle this scene  
    Oh Anna Sun---  
    Oh Anna Sun-----  
What do you know, this house is falling part  
What can I say, this house is falling apart  
We got no money but we got a heart---  
We're gonna rattle this ghost town  
    This house is falling apart  
Screen falling off the door, door hanging off the hinges  
My feet are still sore, my back's on the fringes  
We were up against the wall, on the west mezzanine  
We rattle this town, we rattle this scene  
    Oh Anna Sun--  
    Oh Anna Sun---  
What do you know, this house is falling apart  
What can I say, this house is falling apart  
We got no money but we got a heart--  
We're gonna rattle this ghost town  
Do you know this house is falling apart  
What can I say, this house is falling apart  
We got no money but we got a heart---  
We're gonna rattle this ghost town  
    This house is falling apart  
    This house is falling apart  
Live my life without--station wagon rides  
    Fumbling round the back  
        Not one seat belt on  
        Wait for summer time  
        Coming up for air--  
        Now it's all a wash  
        Now it's all a wash  
Live my life without, coming up for air--, now it's all a wash, I want everyone--

Racing down that hill  
I am faster than you  
Wait for summer time  
Wait for summer time---

Oh Anna Sun!--  
Oh Anna Sun!---  
Sun---

What do you know, this house is falling apart  
What can I say, this house is falling apart  
We got no money but we got a heart--  
We're gonna rattle this ghost town  
Do you know this house is falling apart  
What can I say, this house is falling apart  
We got no money but we got a heart--  
We're gonna rattle this ghost town  
This house is falling apart!  
This house is falling apart!  
This house is falling apart!  
We're gonna rattle this ghost town  
This house is falling apart!  
This house is falling apart!
