

Coming Out of the Dark

[Jon Secada](#)

Why be afraid if I'm not alone
Though life is never easy the rest is unknown
Up to now for me it's been hands against stone
Spent each and every moment
Searching for what to believeCHORUS
Coming out of the dark
I finally see the light now
It's shining on me yeah
Coming out of the dark
I know the love that saved me
You're sharing with meStarting again is part of the plan
And I'll be so much stronger holding your hand
Step by step I'll make it through I know I can
It may not make it easier but I have felt you
Near all the wayCHORUS
I stand on the rock of your love
Your love is all it takes, no matter what we face
