

Into the Wind

Crush 40

If you wanna make it, you've gotta give'em all
Lay it all on the line
You wonder why good things never come easy
Don't stop for anything Don't give up, keep the fire, keep the faith
You life is in your hands
Don't you think that it's time you take a chance
'Cause you're gonna have to face it Start you up, down the road you go
Hang on to your dreams, yeah
Crusin' down to the paradise
Turn the car into the wind, yeah You've got to fight to keep sight of your dreams
Keep your hands on the wheel Don't give in, you have the strength to get over
You better stand up
There's a light still shining on you
Fair wind is blowin' to your way Start you up, down the road you go
Hang on to your dreams, yeah
Crusin' down to the paradise
Turn the car into the wind, yeah
Into the wind You're much too serious
Let's steal away, blow your mind
That's an easy thing to say
You must take a step Start you up, down the road you go
Hang on to your dreams, yeah
Crusin' down to the paradise
Turn the car into the wind, yeah
Crusin' down to the paradise
Turn the car into the wind, yeah
