

Someone to Light Up My Life

[**Ann Hampton Callaway**](#)

Writer(s): antonio carlos jobim - gene lees - vinicius demoraes
Go on your way with the cloudless blue sky above
May all your days be a wonderful song of love

Open your arms and sing of all the hidden hopes you'll ever treasure
And live out your life in peace
Where shall I look for the love to replace you

 Someone to light up my life
 Someone with strange little ways
 Eyes like a blue autumn haze
 Someone with your laughing style

And a smile that I know will keep haunting me endlessly
Sometimes in stars or the swift flight of seabirds

 I catch a moment of you
 Thats why I walk all alone
 Searching for something unknown
 Searching for something or someone to light up my life
