

Heaven's On Fire

Advisory - the following lyrics contain explicit language:

Oh, ha, ha, ha You think your soul is nice
You've lived in paradise
So now you take the stand
You want to hold your Masters hand You think your soul is free
Look up and you'll see me
The Pearly gates ablaze
The Angels hear the zombies gaze Oh, Heavens on fire
And there ain't nothing you can do
Heavens on fire
And when you die you'll go there too While the Angels live their death
No there ain't nothing left
The clowns of God despise
But torment renders no disguise The skies a blazing tomb
Plenty sorrow plenty doom
They battle living sin
The souls of God can't hope to win Oh, Heavens on fire
And there ain't nothing you can do
Heavens on fire
And when you die you'll go there too If God is so almighty
Then why is He enslaved
In Heaven's Hell by Satan
The universe His slave Line up or I howl
Make 'em burn Satan rides the skies
Look up you'll see his eyes
Disguised as endless stars
To keep an eye on endless wars Do you believe in God
He's chained up like a dog
And every hour He screams
Satan rules supreme Oh, Heaven's on fire
And there ain't nothing you can do
Heaven's on fire
And when you die you'll go there too We're gonna burn this place to the ground
