

A Wish on Christmas Night

[Jose Mari Chan](#)

Chorus:

Sing a song and light up the lights
we need to make this Christmas bright

Hang your favorite dream on a star

Wish upon it Christmas night

Sing about the better things,

The friends we have, the joy they dream

Hang a dream upon a star and wish it Christmas night

Peace on earth we dream for the world

Time to love and time to share

We can wish for love in the world

Time to give and time to care On this day is born the child Jesus Prince of Peace

Hear him whisper in your heart let all hatred cease

His star will brighten the darkest light to light your way if you believe

The love you seek will be in your heart, ask and you'll receive On this day will rise the morning sun

All the bells will ring (ding dong ding dong)

Hope is born for peace throughout our land

Let Earth and heaven sing Repeat Chorus Sing about the better things

the friends we have the happiness they bring

Sing a song of dreams come true and bless the new year, too. Lalalala... Repeat Chorus and last stanza
