

Never Stopped Loving You

[Ryan Montbleau](#)

One of these days when we get to where we're going
One of these days when our wings have changed, have slowed
Take these wheels off of the road
And we sit back and we'll talk about it
One of these days when we get to where we're going

One of my lives I'll give you if you want it
It's a little worn out but it should be what you wanted
Leave the other lies with the wind to close
And we'll sit out in the sun together
One of these days when we get to where we're going

And I never stopped loving you at all
No I never stopped loving you at all
Did my time every night and day
Turned my eye and my mind away
But I never stopped loving you at all

Ooh ooh ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh ooh ooh

One of these days when you get to what you wanted
When the skies open up and you feel that you are wanted
One of these days when the tide comes in
And you lift there right back home again
One of these days when you get to where you're going

No I never stopped loving you at all
Said no I never stopped loving you at all
Turned my eyes and my mind away
But the heart finds what it wants and stays
And I never stopped loving you at all

Ooh ooh ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh ooh ooh

One of these days I will find myself too far
To come back around
Hold my breath 'till you come back home
And I wake up dizzy and all alone

But I'll never stop loving you at all

Ooh ooh ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh ooh ooh

Never stopped loving
You at all
