

Nowhere Town

[Billy Currington](#)

We got really good at rollin' my old mans jeep out with the head lights off
While he was still asleep and we stayed out all night
'Cause we knew all the right roads yeah We knew just where the cops didnt go
Yeah we had our hungry hearts beatin like thunder
We were kings of the summer on a double broken yellow line
Knew what life was all about had it all figured out
Like a mount and a dash board light We were watchin the world go round in a nowhere town livin in a nowhere
town map dot camelot lost and found in a nowhere town live livin in a nowhere town Starts gettin late runnin'
out of stars so you and your girl go find a place to park Two hearts in a chevy
All you want to do is have a drink with a buddys on the bank of a river a little somethin' on a Saturday night We
were livin right smack dab in the middle of a nowhere town
Hhey hey
Nowhere town nowhere town
Oh oh
Nowhere town
