

Dance Little Sister

Terence Trent D'Arby

Get up outta your rockin' chair
grandma!
Or rather would you care to dance
grandmother? Hey you ! Give up the ghost that's haunting you now.
Shout it out! Don't let it stay inside and eat you alive.
Make up your minddon't you want to stay this side of the line?
I can assure you when you're my age
You'll learn from all you've left behind. You've got to dance
Little sisterDon't give up today
hang on till tomorrowI don't wanna hear you're late.
You've got to dance
little sisterDon't give up today
hang on till tomorrowDon't give up your stay. Say say say now
share the weight and lay your cross down.
And let the long reaching arm of hope bring you around.
It ain't easy but giving up is the easy thing to do.
Time is on your side
would you just watch the clock
And let it tick for you?
You've got to dance
little sister
. . . You've got to dance
little sister
.
