Love Sex Magic

Ciara

Your touch is so magic to me
The strangest things can happen
The way that you react to me
I wanna do something you can't imagine
Imagine if there was a million me's talking sexy to you like that
You think you can handle, boy
If I give you my squeeze and I need you to push it right back

Baby, show me, show me
What's your favorite trick that you wanna use on me
And I'll volunteer
And I'll be flowing and going
Till clothing disappears, ain't nothing but shoes on me, oh, baby

[Chorus]
All night show with just you and the crowd
Doin' tricks you've never seen
And I bet that I can make you believe
In love and sex and magic
So let me drive my body around ya
I bet you know what I mean
Cause you know that I can make you believe
In love and sex and magic

Everything ain't what it seems
I wave my hands and I got you
And you feel so fly assisting me
But now it's my turn to watch you
I ain't goin' stop you if you wanna grab my neck
Talk sexy to me like that
Just do what I taught you, girl
When I give you my heat and I need you to push it right back

Baby show me, show me whats your favorite trick that you wanna use on me
And ill volunteer, and ill be goin' and goin' to movin',
this appears to nothin' but shoes on me, oh baby

[Chorus]

Oh, this is the part where we fall in love (sugar)

Oh, let's slow it down so we fall in love
But don't stop what you're doing to me

[Chorus: x2]

Uh, yeah, uh uh uh, yeah I see you on the floor
Get it girl, love, sex and magic
I see you on the floor, You know what I mean
Get it girl, I bet that I can make you believe in love and sex and magic, ow!
I see you on the floor, get it girl
