This Isn't Our Parade

Santigold

This time, I'll comfort
I saw you standing
And I am by your cage
I think you should wait now
I hear you calling
I'm reaching you my hand
I can hear you now
I can hear you calling

And I say hey, hey, hey, hey, hey
Won't you come down?
Won't you come down?
This isn't our parade

This time all we heard
Forever blending
I bridle all my rage
You won't make me buy that
And I hear you calling
No, you won't understand
But I'm near you now
I can see you falling
