

# This Isn't Our Parade

[Santigold](#)

This time, I'll comfort  
I saw you standing  
And I am by your cage  
I think you should wait now  
I hear you calling  
I'm reaching you my hand  
I can hear you now  
I can hear you calling

And I say hey, hey, hey, hey, hey  
Won't you come down?  
Won't you come down?  
This isn't our parade

This time all we heard  
Forever blending  
I bridle all my rage  
You won't make me buy that  
And I hear you calling  
No, you won't understand  
But I'm near you now  
I can see you falling
