

You Make The Rain Fall

Kevin Rudolf

You make the rain fall
'Cause you're so beautiful that it's painful
Yeah, you told me that you were an angel
But I already know what you came for
You make the rain fall Well, your eyes are so deceiving
Deadly as a loaded gun
And your words are so misleading
You tell me I'm the only one And it feels so good tonight
But it gets me every time
And I know I'll never change my ways
But every single night I pray You make the rain fall
'Cause you're so beautiful that it's painful
Yeah, you told me that you were an angel
But I already know what you came for
You make the rain fall Hey, this girl make the rain drop
Giving me pain in the same spot
Go in my pockets, my wallet, I got it
She getting my dollars the same [Incomprehensible] Umbrella's lit up on the same block
The weather keeps pouring, this dame's hot
Lil' mamma handle herself on the pole
I can throw some more fish off the same dock Clouds over my head
Thunder and lightnin' she flashing for bread
She make a storm, I'm already prepared
Who do I want 'cause I cut the checks Shorty, she want the Jacuzzi with jets
Can't use the mop for this [Incomprehensible]
They stop the drizzle, I walk on the set
I got the bar, girl, I'm telling you, yeah You make the rain fall
'Cause you're so beautiful that it's painful
Yeah, you told me that you were an angel
But I already know what you came for
You make the rain fall You make the rain fall
'Cause you're so beautiful that it's painful
Yeah, you told me that you were an angel
But I already know what you came for
You make the rain fall And I want you bad so I stand in line
You tell me the lies to keep me up all night
And I don't even know your name
But every night I pray
Yeah You make the rain fall

You make the rain fall You make the rain fall
'Cause you're so beautiful that it's painful
Yeah, you told me that you were an angel
But I already know what you came for
You make the rain fall You make the rain fall
You make the rain fall
You make the rain fall
You make the rain fall
