

# Career Suicide

## Kittie

Vindication bleeds you from every pore  
Until hope runs out, until my feet leave the floor  
The first trance of that too familiar feeling  
Smiles and daggers, hearts are bleeding Don't say no, I'll soon know  
Don't say no, I'll soon know Convictions see you through  
Are you all you know?  
Convictions see you through  
Are you all you know? Your faded costume is wearing thin  
Was there no comfort in your own skin?  
You always were a slow learner inside your ugly living lies  
Tell yourself that next time you cry Don't say no, I'll soon know  
Don't say no, I'll soon know Convictions see you through  
Are you all you know?  
Convictions see you through  
Are you all you know? Don't say no, I'll soon know  
Don't say no, I'll soon know Convictions see you through  
Are you all you know?  
Convictions see you through  
Are you all you know? Don't go, don't go  
Don't go, don't do it
