

# Come Blow Your Horn

## Maynard Ferguson Orch

Make like a Mister Milquetoast and you'll get shut out

Make like a Mister Meek and you'll get cut out

Make like a little lamb and wham, you're shorn

I tell ya, chum, it's time to come blow your horn

Make like a Mister Mumbles and you're a zero

Make like a Mister Big, they dig a hero

You've got to sound your A, the day you're born

I tell ya, chum, it's time to come blow your horn

The taller the tree is the sweeter the peach  
I'll give you the whole maguilla in a one word speech, reach

Make like the world's your pudding but light the  
brandy

Even the mildest kiss is a dan, dan, dandy

There'll be no love in bloom come doomsday morn

I tell ya, chum, it's time to come blow your horn
