Coping

Blur

Primal evil, what am I?

Tongue tied 'til the day I die

There's no love made with mermaids

It's just distraction so they sayAnd I'm too tired to care about it

Can't you see this in my face? My faceWhen I feel this strange can I go through this again?

When I feel this strange can I go through this again? It's a sorry state you're getting in

The same excuse is wearing thin

There's no self control left in me

What was not will never will be And I'm too tired to care about it

Can't you see this in my face? My faceWhen I feel this strange can I go through this again?

When I feel this strange can I go through this again?[Incomprehensible]

I don't wantAnd I'm too tired to care about it

Can't you see this in my face?

The emphisis is on coping

Can't you see this in my face? My faceWhen I feel this strange can I go through this again?

When I feel this strange can I go through this again?

When I feel this strange can I go through this again?

When I feel this strange can I go through this again?

(Can I be dreaming or am I just coping?)Lala lala lala

Lala lala lala Lala lala lala
