Begin

Lorenzo Asher

My name is Lorenzo Asher... Whoever's listening?
I hope you find this...
I hope it finds you...
I hope you find you...
After you find me.
My plan's to increase.
The teenage, attention span.
At least.
We.But me.(1)I'm just a young Ohio kid. Trying to get up out the crib. Trying to get my mom a crib. Trying to figure out how to live.In this world were we become susceptible or asymmetrical. Balancing women on my testicles. Don't be afraid to be intellectual. Won't you Just think a bit...We are all enigmas when you think of it. These crayons and glitter just make me think of shit. Everything's a scandal. Everyone's a vandal. Broke out of those bars but, I still can't get a handle. On life. I seem to ramble at night. I'd probably gamble my wife. If the price was right. Purple cup of sprite for the pain. For the pain. For the pain. Shower drugs, on our brains. Or a main vein...
Just to maintain.
And, If We die today. Before, we ever hit the stage, and its done... well at least we can say...We can tell them.()We were brave. We were crazy. We were young.
We were brave. We were crazy. We were young.
We were brave. We were crazy. We were young.
Yeah, we were brave. We were crazy. We were young.We were young.(2)Hennessy, and love that's an, I do. Poetry, and bud that's a haiku. And baby you deserve a better guy.
Let me try. Never mind. I think YOU need time to find you.Reverse marriageDo I? From I do's...And if we let it die before we ever get engaged, and it's done.Well at least we can say.We can tell them.
()We were brave. We were crazy. We were young.
We were brave. We were crazy. We were young.
We were brave. We were crazy. We were young.
Yeah, we were brave. We were crazy. We were young.We were young.(/Bridge)When you can... If you get a chance... Think about me... For a moment.
Take my hand... Lets have one last dance...Before the world ends.
