Leather and Lace

Smoking Popes

Is love so fragile?
Is a heart so hollow?
Shatter with words
Impossible to followYou're saying I'm fragile
Try not to be like such a way
For something I can't sayBut I have my own life
And I am stronger than you knowStill I carry this feeling
When you came into my house
You won't be walking out the doorStill I carry this feeling
When you came into my house
You won't be walking out the door[Chorus]
Lovers forever
Face to face
My city or mountains
Stay with me, stay
I need you to love me
I need you today
Give me your leather
Take from me my laceYou weeped in the moonlight
With your sleepy eyes
Could you ever love a man like me?And you were right
When I walked into your house
You knew I never want you to leaveSometimes I'm a strong man
Sometimes cold and scared
Sometimes I cryBut that time I saw you
I knew with you to light my nights
Somehow I'd get by[Chorus twice]Take from me my lace [repeat until end of song]
