

# Our Love Comes Back

[James Blake](#)

You know how we've grown  
And how they catch our every turn  
Everyone's arrived here  
I see the pictures of everyone  
And they truly got it  
But it's your image burned into my mind  
And again I find  
That it's worth the climb  
And I love  
That it's right on time  
Our love comes back in the middle of the night  
Our love comes back in the middle of the night  
Our love comes back in the middle of the night
