

Should've Learnt My Lesson

[Rory Gallagher](#)

Should've learnt my lesson long, long time ago
Should've learnt my lesson long, long time ago
Bored like a mule, I've always learnt my lesson slow
Should have listened, taken my friend's advice
Should have listened to my best friends and to my eyes
They said, "You must be prepared to lose
If you choose to chance the dice" Well, I'm feeling 'bout as tired as a bad pair of shoes
When you don't fit then you know it's time to move
But if you had my troubles you'd be cryin' too
My first mistake was when I thought that you'd be true
My first mistake was when I thought that you'd be true
Now I realize that was a foolish thing to do
