

# L.o.v.e.

Jessie J

Okay, maybe this is the day  
That I have to write a song about love  
It's about time  
L.O. L.O. L.O. L.O.V.E, love  
I said I'd never write a song about love  
But when it feels this good  
A song fits like a glove  
When you hold me and you tell me  
That you missed me and call me milky  
Fuck it, I'ma write a song about love, yeah  
You're my key, you unlock me  
Keep me close, keep me safe, keep me happy  
So sweet, oh love  
It's destiny, so nothing stops me  
I'll tell the world that you're mine and you got me  
So sweet, oh love  
I'm in love, I'm in love  
I'm in love, I'm in love  
I'm in love, L.O.V.E, love  
See love doesn't choose a boy or a girl, nope  
When I met you, you hugged my heart and filled my world  
So you can stare, I don't care  
You're the one, ain't going nowhere  
So fuck it, I'ma be honest with you 'cause  
You're my key, you unlock me  
Keep me close, keep me safe, keep me happy  
So sweet, oh, love  
It's destiny, so nothing stops me  
I'll tell the world that you're mine and you got me  
So sweet, oh, love  
I'm in love, I'm in love  
(L.O.V.E, love)  
I'm in love, I'm in love, yeah  
(I'm in love)  
My best friend that makes me laugh  
The puzzle piece that fits exact to my half  
I've never felt this way  
Sometimes I'm stuck with what to say  
You hold my hand when I'm driving

You dry my tears if I'm crying  
And we just laugh if we're fighting  
I love you, you love me more  
I love you more, more  
You love me more  
I love you more, yeah  
I love you more, yeah  
(Love, love, love, love)  
Okay so, I actually wrote a love song  
(Love, love, love, love)  
About someone  
(Love, love, love, love)  
And it's completely honest  
It's destiny, so nothing stops me  
I'll tell the world that you're mine, and you got me  
So sweet, oh, love  
I'm in love  
(I'm in love)  
I'm in love  
I'm in love  
(I'm in love)  
It's about time, yeah, yeah  
L.O.V.E. love  
L.O.V.E. love  
L.O. L.O.V.E. love  
L.O. L.O.V.E. love
