

Total Eclipse of the Heart (Instrumental Version)

Bonnie Tyler

Turnaround, every now and then I get a little bit lonely
And you're never coming round
Turnaround, every now and then I get a little bit tired
Of listening to the sound of my tears
Turnaround, every now and then I get a little bit nervous
That the best of all the years have gone by
Turnaround, every now and then I get a little bit terrified
And then I see the look in your eyes
Turnaround bright eyes, but every now and then I fall apart
Turnaround bright eyes, every now and then I fall apart And I need you now tonight
And I need you more than ever
And if you only hold me tight
We'll be holding on forever
And we'll only be making it right
'Cause we'll never be wrong together
We can take it to the end of the line
Your love is like a shadow on me all of the time (all of the time)
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight Once upon a time I was falling in love
But now I'm only falling apart
And there's nothing I can do
A total eclipse of the heart
Once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart Turnaround bright eyes, every now and then I fall apart
Turnaround bright eyes, every now and then I fall apart And I need you now tonight (and I need you now)
And I need you more than ever
And if you only hold me tight (and if you only)
We'll be holding on forever
And we'll only be making it right ('cause we'll never be wrong)
'Cause we'll never be wrong together
We can take it to the end of the line
Your love is like a shadow on me all of the time (all of the time)
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks

I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight
Once upon a time I was falling in love
But now I'm only falling apart
And there's nothing I can say
A total eclipse of the heart
A total eclipse of the heart
A total eclipse of the heart
Turn around bright eyes
