

# Lady Stardust

Johan Palm

People stared at the makeup on his face  
Laughed at his long black hair, his animal grace  
The boy in the bright blue jeans  
Jumped up on the stage  
And lady stardust sang his songs  
Of darkness and disgrace  
And he was alright, the band was all together  
Yes he was alright, the song went on forever  
He was awful nice  
Really quite out of sight, he sang all night long  
Femme fatals emerged from shadows  
To watch this creature fair  
Boys stood upon their chairs  
To make their point of view  
I smiled sadly for a love I could not obey

Lady stardust sang his songs  
Of darkness and dismay  
And he was alright, the band was all together  
Yes he was alright, the song went on forever  
And he was awful nice  
Really quite out of sight and he sang all night, all night long  
Ooh how I sighed when they asked if I knew his name  
Though he was alright, the song went on forever  
Yes he was alright a song went on together  
Yes he sang awful nice  
Really quite paradise, he sang all night, all night long  
Long song
