## Jimmy Eat World

Before this world starts up again  
It's me and night  
We wait for the sun  
The kids and drunks head back inside Well, there's lots of smart ideas  
In books I never read  
When the girls come talk to me  
I wish to hell I had Get up, get up, turn on ignition  
Get up, get up, fire up the system  
I play my little part in something big I'll accept with poise, with grace  
When they draw my name from the lottery  
And they'll say all the salt in the world  
Couldn't melt that ice I'm the one who gets away  
I'm a New Jersey success story  
And they'll say, "Lord  
Give me the chance to shake that hand"  
They'll say Back when I was younger  
I was someone you'd've liked  
Got an old guitar I've had for years  
I'd let you buy And I'll tell you something else  
That you ain't dying enough to know  
There's still some living left  
When your prime comes and goes Get up, get up, dance on the ceiling  
Get up, get up, boy, you must be dreaming  
Rock on, young savior  
Don't get up your hopes I'll accept with poise, with grace  
When they draw my name from the lottery  
And they'll say all the salt in the world  
Couldn't melt that ice I'm the one who gets away  
I'm a New Jersey success story  
And they'll say, "Lord  
Give me the chance to shake that hand" I have one last wish  
And it's from my heart  
Just let me down  
Just let me down easy I'll accept with poise, with grace  
When they draw my name from the lottery  
And they'll say all the salt in the world  
Couldn't melt that ice I'm the one who gets away  
I'm a New Jersey success story  
And they'll say, "Lord

Give me a chance to shake his hand"  
They'll say
