

# Crave

## The Drowners

Crave, crave  
Crave, crave  
    Alright  
The simple life, I will not have  
    It doesn't satisfy me  
I don't believe in the status quo  
    I kinda leaves me bleak  
A mountain high is what I climb  
    I swim a river deep  
So if you crave the time of your life  
    Try to keep up with me, hey  
    I'm gonna live, I'm gonna fly  
I'm gonna soar, till the day I die  
    On the wings of a bird of prey  
    Hey, hey, hey  
    You're absolutely what I crave  
You better believe that's a smile on my face  
    You know it don't come cheap  
Sure I've lived the American Dream  
    Go ahead and crucify me, yeah  
    I'm gonna live, I'm gonna fly  
I'm gonna soar, 'till the day I die  
    On the wings of a bird of prey  
    Hey, hey, hey  
You're absolutely what I crave, crave  
    I'm gonna live, I'm gonna fly  
    I'm gonna soar till the day I die  
    On the wings of a bird of prey  
    Hey, hey, hey  
    I'm gonna live  
    (I'm gonna live)  
    I'm gonna fly  
    (I'll fly)  
I'm gonna soar till the day I die  
    (On the wings)  
On the wings of a bird of prey  
    (Hey)  
    Hey, hey, hey  
You're absolutely what I crave

Crave, crave, crave  
Crave, crave, crave
