Never

Papa Vegas

(written by Joel Ferguson)
It's never me, it's never you
When will they say it's overdue
I know we'll fall when love is all
Just imagery a memory
Well I don't want to spend forever
Thinking what a fool I've been
Some people seem to swim together
Drowning in the pool they're in
So much for never when forever's always
It's always me, it's always you
There's nothing else there's nothing new
And soon we'll fall when hate is all
Just imagery a memory
Well I don't want to spend forever
Thinking what a fool I've been
Some people seem to swim together
Drowning in the pool they're in
So much for never when forever's always
Don't leave me in the cellar... don't leave me
'Cause I don't want to spend forever
Thinking what a fool I've been
Some people seem to swim together
Drowning in the pool they're in
So much for never when forever's always
And I don't want to spend forever
Thinking what a fool I've been
Some people seem to swim together
Drowning in the pool they're in
So much for never when forever's always
Closing in...
