

(Kissed You) Good Night

Gloriana

I dropped you off
Just a little after midnight
Sat in my car
Till you turned off your porch light
I should have kissed you
I should have pushed you up against the wall
I should have kissed you
Just like I wasnâ€™t scared at all

I turned off the car
Ran through the yard
Back to your front door
Before I could knock
You turned the lock
And met me on the front porch

And I kissed you
Goodnight
And now that Iâ€™ve kissed you
Itâ€™s a good night good night baby goodnight

You couldnâ€™t see me
Watching through the window
Wondering what went wrong
Praying that you wouldnâ€™t go
You should have kissed me
You should have pushed me up against the wall
You should have kissed me
I was right on the edge and ready to fall

So I turned off the car
Ran through the yard
Back to your front door
Before I could knock
You turned the lock
And met me on the front porch

And I kissed you
Goodnight
And now that Iâ€™ve kissed you

Itâ€™s a good night good night baby goodnight

I turned off the car
ran through the yard
back to your front door
Half scared to death canâ€™t catch my breath
Arenâ€™t these the moments we live for

And I kissed you
Goodnight
And now that Iâ€™ve kissed you
Itâ€™s a good night good night baby goodnight
Itâ€™s a good night good night baby goodnight
Itâ€™s a good night good night baby goodnight
Itâ€™s a good night good night baby goodnight
