

The Last Heart In Line

Dwight Yoakam

Take her away
But don't let me see
Who the last heart in line
Turns out to be I'll never know
There won't be any sign
How close it came
For the last heart in line And though for awhile
I'll still be
Waiting around for my chance
Patiently The fact that she's gone
Is bound to finally dawn
On me, eventually Though for awhile
I'll still be
Just waiting around for my chance
Patiently The fact that she's gone
Is bound to finally dawn
On me, eventually I guess for her
It'll all work out fine
But who's going tell
The last heart in line
