Ask Me No Questions

Johnny Thunders

That was then (that was then)
And now it's today (and now it's today)
Do you remember (do you remember)
What I used to say... to youThat was the past (that was the past)
And that was the last (and that was the last)
Do you remember (do you remember)
How long ago the last was... for lasting youSeems like I never ever learn
And it's always my turn to loseAsk me no questions
And I'll tell you no lies
Ask me no questions
I'll be yours tonight
