Da Ba Dunk Song

Keith Murray

Advisory - the following lyrics contain explicit language:

You know I had to go there right, that's water baby
Ay yo shorty got the badonkadonk, look right
Hangin' of the edge of dat Kawasaki bike
See 'em in da streets at work rump galoreThey be in salons, restaurants and stores
They come in all shapes sizes, fashions and colors
It might be your sister, aunts or your mothers
Or your baby mama and they aunts and they cousinsThey roam in droves of half a dozens
Now you may not have seen a lot and maybe you have
All you gotta do is hit up your local ave, lookin' at the female anatomy
I see what made little Richard write, 'Good golly Miss Molly'Excuse me miss, no disrespect miss
Sike but that thing is da beautifulist
I bet you hit the bathroom and light up a clip
And sit down and take one fat hitWe be spankin' that ass, pumpin' it up
Girl, you gotta ba dunka dunk
No doubt, ba dunka dunk, ba dunka dunk
Break me off a chunk of ba dunka dunkSpankin' that ass, pumpin' it up
Girl, you gotta ba dunka dunk
No doubt, ba dunka dunk, ba dunka dunk
Break me off a chunk of ba dunka dunkI was on 45th chillin' with my man Earl
When she walked by I started singin', you gotta fatty girl
You know I'm right don't be rude
It's just a compliment stanky you should be say thank youTo the ladies in da street that ever shook my hand
And thanked me for representing that fat back
It a raised your antennas and keep you on point
Gwedoe's be like yo she gotta ba doinka doink broAnd goddamn boy ooh it
Come equip with three D thongs and shake included
But it's rated PG little boys can look
Little girls write about it in they diary bookThey be on TV, T-shirts and pocket books
Attracts straight lace guys down to crooks
So if you ever seen one that ain't fat
Hit it with an fresh can of FixaflatWe be spankin' that ass, pumpin' it up
Girl, you gotta da ba dunka dunk

No doubt, ba dunka dunk, ba dunka dunk
Break me off a chunk of da ba dunka dunkSpankin' that ass, pumpin' it up
Girl, you gotta da ba dunka dunk
No doubt, ba dunka dunk, ba dunka dunk
Break me off a chunk of da ba dunka dunkTina gotta ba dunka dunk, I know I told you I'd be true
But Tina gotta ba dunka dunk so I'm leavin' you, no doubt
Yo, Leesa gotta ba dunka dunk, I know I told you I'd be true
But Leesa gotta ba dunka dunk so I'm leavin' you, no doubt
