

# Living To Love You

Sarah Connor

All we had was just one summer  
two lovers strolling in the park  
But like they say the world keeps turning  
as the leaves were falling we should fall apart  
Now I'm waiting for the winter, na na na  
To build my castle out of ice  
And deep inside this massive building  
There's a crystal lake of all the tears I cried  
Baby for all my life  
don't you know that it's true  
I'm living to love you  
So baby don't think twice  
If you feel what I feel  
Trust your heart and do what I do,  
'cause I'm living to love you  
hmmmm I'm living to love you  
When you're gone it's not forever  
'cause you're remaining in my heart  
So tell me why I feel this aching  
Every time I think of you when we're apart  
Baby for all my life  
don't you know that it's true  
I'm living to love you  
So baby don't think twice  
If you feel what I feel  
Trust your heart do what I do,  
I'm living to love you ohhh yes  
I admit that from time to time  
I'm feeling insecure and think I'm gonna lose my mind  
Don't let it show, no  
oh no, no, no, no, no hmm  
I don't think I'll ever understand  
That our loving should never have a happy end  
So I'm really gonna try my best to let you know  
To let you know  
Baby for all my life  
don't you know that it's true  
I'm living to love you  
So baby don't think twice  
If you feel what I feel  
Trust your heart and do what I do  
When the final day comes  
I know the angels,  
they will see my smile  
And if they wanna know the reason  
I will tell them why  
Baby for all my life

hoooo yes I'm living to love you
