

When I Close My Eyes

Rhonda Vincent

There's so many things I didn't say
And even though it may be too late
I want you to know
I still love you so Every car I meet looks like your car
Every movie I see you play the leading part
You're on my mind
Can't leave you behind When I close my eyes
You're all I see
In the dark of night
You're in my dreams Throughout the day
You're easy to find
You're all I see
When I close my eyes In my mind I know you're far away
But here in my heart nothing has changed
I'm still holding you
Like I used to On a busy street in a crowded room
Wherever I go it's just me and you
Together again
Boy it never ends When I close my eyes
You're all I see
In the dark of night
You're in my dreams Throughout the day
You're easy to find
You're all I see
When I close my eyes
You're all I see
When I close my eyes
