

# Doctor Brown (LP Version)

## Fleetwood Mac

Oh they call me Doctor Brown  
They call me that lovin' man  
Oh, they call me Doctor Brown  
They call me that lovin' man  
And if you got some trouble  
Come around and see what you can  
You don't have no prescription  
You don't have to take no pills  
You don't have no prescription  
And baby don't have to take no pills  
If you come to see me  
Doctor Brown will cure your ills  
Oh ask any woman in my neighborhood  
You just ask any woman in my neighborhood  
You just ask any woman  
In my neighborhood  
You just ask any woman  
In my neighborhood  
If Doctor Brown don't cure you  
Nobody can do you no good
