

# Better

## Regina Spektor

If I kiss you where it's sore  
If I kiss you where it's sore  
Will you feel better, better, better?  
Will you feel anything at all?  
Will you feel better, better, better?  
Will you feel anything at all? Born like sisters to this world  
In a town where blood ties are only blood  
If you never say your name out loud to anyone  
They can never ever call you by it If I kiss you where it's sore  
If I kiss you where it's sore  
Will you feel better, better, better?  
Will you feel anything at all?  
Will you feel better, better, better?  
Will you feel anything at all? You're getting sadder, sadder, getting sadder, sadder  
Don't understand, and I don't understand But if I kiss you where it's sore  
If I kiss you where it's sore  
Will you feel better, better, better?  
Will you feel anything at all?  
Will you feel better, better, better?  
Will you feel anything at all? Will you feel anything at all?  
Anything at all  
Will you feel anything at all?  
Anything at all Will you feel anything at all?  
Anything at all  
Will you feel anything at all?  
Anything at all Will you feel anything at all?
