

Skin and Bones

Foo Fighters

Lately I've been measuring
Seems my time is growing thin
Wind me up and watch me spin
Watch me spin, watch me spin Skin and bones, skin and bones
Skin and bones don't you know?
Skin and bones, skin and bones
Skin and bones don't you know?
I'm just skin and bones All worn out and nothing fits
Brennivin and cigarettes
More I give the less I get
But I'm all set, I'm all set Skin and bones, skin and bones
Skin and bones don't you know?
Skin and bones, skin and bones
Skin and bones don't you know? I'm just skin and bones
I'm just skin and bones
I'm just skin and bones
I'm just skin and bones
I'm just skin and bones Deep within this frame of mind
Heart of hearts, oh, Valentine
Tell my mom I'm doing fine
Doing fine, doing fine Skin and bones, skin and bones
Skin and bones don't you know?
Skin and bones, skin and bones
Skin and bones don't you know? Skin and bones, skin and bones
Skin and bones don't you know? I'm just skin and bones
I'm just skin and bones
I'm just skin and bones
I'm just skin and bones
I'm just
