## **Skin and Bones**

## **Foo Fighters**

Lately I've been measuring

Seems my time is growing thin

Wind me up and watch me spin

Watch me spin, watch me spinSkin and bones, skin and bones

Skin and bones don't you know?

Skin and bones, skin and bones

Skin and bones don't you know?

I'm just skin and bonesAll worn out and nothing fits

Brennivin and cigarettes

More I give the less I get

But I'm all set, I'm all setSkin and bones, skin and bones

Skin and bones don't you know?

Skin and bones, skin and bones

Skin and bones don't you know?I'm just skin and bones

I'm just skin and bonesDeep within this frame of mind

Heart of hearts, oh, Valentine

Tell my mom I'm doing fine

Doing fine, doing fineSkin and bones, skin and bones

Skin and bones don't you know?

Skin and bones, skin and bones

Skin and bones don't you know? Skin and bones, skin and bones

Skin and bones don't you know?I'm just skin and bones

I'm just
