We Don't Need Another Hero

Northern Kings

Out of the ruins
Out from the wreckage
Can't make the same mistake this time
We are the children
the last generation
We are the ones they left behind
And I wonder when we are ever gonna change it
Living under the fear till nothing else remainsWe don't need another hero
We don't need to know the way home
All we want is life beyond the thunderdome
Looking for something we can rely on
There's got to be something better out there
Love and compassion, their day is coming
All else are castles built in the air
And I wonder when we are ever gonna change it
Living under the fear till nothing else remains
All the children sayWe don't need another hero
We don't need to know the way home
All we want is life beyond the thunderdome
So what do we do with our lives
We leave only a mark
Will our story shine like a life
Or end in the dark
Give it all or nothing
