SunCatcher

Faith Rivera

I have searched the whole world over
Looking OUT for the peace I hungered
Wondered if I'd ever find my way

Destination out of sight
I had lost my will to fight so
I just surrendered and prayed

Heaviness hung over me
Raining its poison arrows
'Til I learned to turn withIN
Let the fear goâ€¦

SUNCATCHER ~ Shine your light on me
SUNCATCHER ~ Now/oh beauty's all I see

SUNCATCHER ~ Shine your light on me

SUNCATCHER ~ Happiness is dancing through me

Reverently I light this candle
Symbolize my love eternal
Now I know my life is a prayer

Close my eyes, draw in each breath
In every moment find the stillness
Beautiful even in my darkest days

Happiness rains down on me
I'm sheltered always with comfort
Illuminate me in your radiance
No more sorrow

SUNCATCHER ~ Shine your light on me
SUNCATCHER ~ Now beauty's all I see

SUNCATCHER ~ I'm grateful to be free

SUNCATCHER ~ Happiness is dancing through me
