Keep The Fire Burning

Stryper

We've been through a lot together
We've seen what some will never see, you and me
Prayer after prayer's been answered
We can't go on without belief, can't you see?We just gotta be strong
Keep the fire burning
Gotta move on, keep our hearts from turning
Gotta hold on, onto what you're learning now
And never let goNothing can stop us now
We're growing stronger every day in every way
Spreading the word together
It doesn't matter what they say, no way!We've been through a lot together
We've seen what some will never see, you and me
Prayer after prayer's been answered
We can't go on without belief, can't you see?
