

# Come on Get Up

## Adrenaline Mob

I heard you took one in the face  
In your face  
I heard you took one in the face (come on get up)  
Come on get up  
In your face (come on get up)  
Come on, stand up!  
There you lie, crucified  
Now you're looking like the hulk  
Just knocked you out  
You're torn up, you're beat down  
Damn, you're looking like the dog just dragged you out  
So you took one in the face (come on get up)  
And get your ass back in the game  
So you took one in the face  
Stop acting like the world owes you  
Cause it don't owe you a thing  
This is the bed you made  
You got one foot in the grave  
And you're slowly dying  
Now here's where you make your stand  
Cause your life is in your hands  
And there's no denying  
So quit your crying  
I heard you took one in the face (come on get up)  
Come on get up  
In your face (come on get up)  
Come on, man up!  
Take a shot, whatcha got  
Stop reaching for the sky  
And hit the wall  
Get in the ring, take a swing  
Stop acting like a bitch  
And grow some balls  
This is the bed you made  
You got one foot in the grave  
And you're slowly dying  
Now here's where you make your stand  
Cause your life is in your hands  
And there's no denying

Now quit your crying  
So you took one in the face (come on get up)  
Come on get up  
In your face (come on get up)  
Come on, stand up!  
Get up!  
Get up!  
Get up!  
Come, stand up!  
This is the bed you made  
You got one foot in the grave  
And you're slowly dying  
Now here's where you make your stand  
Cause your life is in your hands  
And there's no denying  
You gotta keep on trying  
Your life is what's at stake  
You got one more chance to make or break  
And there's no denying  
You gotta keep on fighting  
I heard you took one in the face (come on get up)  
Come on get up  
In your face (come on get up)  
Come on, man up!
