Louder

Lea Michele

Come out of the shadow
Step into the light
This could be the moment
Are you ready to fight?
Don't you know, you know
You're not the only one
Why so low, so low
What are you waiting for
All I ever hear are whispers
All I ever hear are whispersBut I just wanna hear your voice
Don't be afraid
Why don't you scream a little louder
Turn it up
I know you can
Come on and scream a little louderOh, oh-hoh, oh-hoh,
Why don't you scream a little louder
Oh, oh-hoh, oh-hoh,
Why don't you scream a little louderWanna be remembered?
Stand out of the crowd
Don't choke on the fire
It's tryin' to burn you out
Why so low, so low
What are you waiting for
All I ever hear are whispers
All I ever hear are whispersBut I just wanna hear your voice
Don't be afraid
Why don't you scream a little louder
Turn it up
I know you can
Come on and scream a little louderOh, oh-hoh, oh-hoh,
Why don't you scream a little louder
Oh, oh-hoh, oh-hoh,
Why don't you scream a little louderCome out of the shadow
Step into the light
This could be the moment
It could change your life
All I ever hear are whispersBut I just wanna hear your voice
Don't be afraid
Why don't you scream a little louder

Turn it up
I know you can
Come on and scream a little louderOh, oh-hoh, oh-hoh,
Why don't you scream a little louderTurn it up
I know you can
Why don't you scream a little louder
Oh, oh-hoh, oh-hoh,
Why don't you scream a little louder
