

When the Sun Goes Down

Fleetwood Mac

 Hmm, HmmWhen the sun goes down
 And the moon shines bright
 Honey, if you call my name
 I will take away your pain
I will take good care of you tonightSomebody broke your heart
 Tore your world apart
 But that's all over
 It's a brave new daySomebody made you cry
 Took away your pride
 But that's all over
 Let's be on our wayWhen the sun goes down
 And the moon shines bright
 In my arms it's safe and warm
 I give you shelter from the storm
I will take good care of you tonightSomebody made you sad
 Treated you so bad
 But that's all over
 I won't let you downWell, he was just a fool
 Wonder why so cruel?
 But you'll forget him
When I come aroundWhen the sun goes down
 (Take good care)
 And the moon rises high
 (Aah aah)
 Honey, open up your door
 And you won't have to hurt no more
I will take good care of you tonightWell, step out of the shadows
 Let the night begin
 (Woo)
An' when you hear me knockin' let me inWhen the sun goes down
 And the moon shines bright
 (You can call my name)
 Honey, if you call my name
 I will take away your pain
I will take good care of you tonightWhen the sun goes down
 (Take good care)
 And the moon rises high
 (Aah)
 In my arms it's safe and warm

I give you shelter from the storm
I will take good care of you tonightHurry, open up your door
And you won't have to hurt no more
I will take good care of you tonight
