

# Don't

## Elvis Presley

Don't, don't, that's what you say  
Each time that I hold you this way,  
When I feel like this and I want to hold you,  
    baby, don't say don't.

Don't, don't leave my embrace  
For here in my arms is your place  
When the night grows cold and I want to hold you,  
    baby, don't say don't.

If you think that this is just a game  
    I'm playing  
If you think that I don't mean  
    ev'ry word I'm saying  
    Don't, don't, don't, don't,  
    Don't feel that way  
I'm your love and yours I will stay

    This you can believe  
    I will never leave you  
    Heave knows I won't  
    Baby, don't say don't
